

Welcome Back OES Volunteers!

We are happy to welcome our parents and family volunteers back to O'Roarke. At this time, we invite volunteers to prepare instructional materials for classrooms and in the coming weeks be able to work directly with children.

All volunteers are REQUIRED to have a CCSD District ID badge in order to volunteer at any school. In order to RENEW the district badge you received in the past, please complete the following directives:

1. Contact the front office at 702-799-6600 to add your name to the 2021-2022 volunteer list.
2. Attend a required training to view mandatory videos and acknowledge the expectations for appropriate interactions with students in order to receive the 2021-2022 renewal sticker to your badge.

In order to initially receive a CCSD Volunteer badge, you must apply to the district at www.ccsd.net/jobs. Click on **Volunteer** and apply at "O'Roarke Elementary School." In addition you will complete the required background checks prior to being issued a badge for the 2021-2022 school year. Once you have been cleared by the district, you will be able to attend our O'Roarke training and volunteer.
